ABOUT US

DYCANA BUILDING MATERIAL TRADING L.L.C. relocated headquarter to Dubai in 2018 as having long years of business experience in special products and machinery trading beside outsourcing services. We enjoy a strong relationship and partnership with key manufacturers in countries such as Turkey, Kuwait, China, the United States, Russia and India, allowing us to supply quality and cost effective products and to provide international sourcing services.

WHY DYCANA?

GLOBAL REACH:

Gain access to a vast network of reliable suppliers worldwide. These global connections enable us to source products from various locations, reducing costs and improving efficiencies.

QUALITY ASSURANCE:

We source high-quality products to meet your specifications. Our commitment to quality ensures your satisfaction and trust in our offerings.

COMPETITIVE PRICING:

Benefit from our strong supplier relationships to get the best value for your investment.

TIME AND COST SAVINGS:

Streamline your procurement process with our efficient services.

EXCELLENT CUSTOMER SUPPORT:

Our team of dedicated professionals is always ready to assist you and address any queries or concerns you may have. We believe in building long-term relationships with our clients and providing exceptional customer support throughout our engagement.

OUR MISSION

To provide the market with high quality products and solutions at a competitive cost and to deal with our staff and our clients as real partner to maintain strategic relations with all the stakeholders.
